Hi Teresa,

I just want to provide a quick update on the status of our search. We currently have five available candidates and I expect to hear back from one or two more by end of today (our deadline. I should be able to propose a candidate pool by late tonight or tomorrow. I'll be out on vacation 10/13 – 10/18, but if EPA can reply quickly on the pool I should be able to get out packages before I leave so the review can proceed. I'll be able to monitor email while I'm away (although trying not to do that more than once or twice a day).

Regards,
Laurie
